Information Concerning The Mailing List Service

WHAT IS IT?

It is simply a method of distributing various original philatelic innovations and information to those who enjoy the hobby of stamp collecting. The Mailing List Service is quite unique. Nowhere else in the world is there any other service even remotely similar.

COST:

\$1.00 per unit. (at least 10 units will eventually be available.)

BENEFITS:

(1) First of all for each dollar sent in, the subscriber gets a stamp or stamps worth \$1.00 or more. These are my choice but really excellent value. Subscribe now to as many units as possible (up to 10) as later on this stamp premium will be cancelled.

(2) Each subscriber will get 72 Philatelic Maps in each unit. These are neat, beautiful colored (5 to 8 colors), small uniform sized (2 3/4"x4") maps, each depicting a country past or present, as long as it has issued stamps. They are most useful in illustrating one's collection of any country and do save any collector enormous time, as ordinarily to draw and color ONE of these maps would take the best part of a day. Unlike atlas cutouts they are colorful and interesting for they are specifically drawn from the philatelic angle. The entire series will run to over 800 maps. These copyrighted beauties are not for sale anywhere else in the world.

(3) Various informative bulletins and circulars, offers, etc. are also sent out with each selection of Philatelic Maps.

(4) All subscribers can obtain the magnificent series of Title Pages of the Nations at about half the retail prices. First editions are expressly reserved for subscribers of the Mailing List Service.

(5) At various times special offers will be made to Mailing List Subscribers at considerably below the cost to the general public. It is understood also that subscribers receive preferences and special rates on all other philatelic innovations, provided, of course, there will be any special charge on such and if such are wanted by the subscribers.

HOW OFTEN ARE THE UNITS AVAILABLE?

We expect to put out 3 to 4 each year. At present the first is ready to mail out, work is proceeding on the second one. All subscriptions for units are payable in advance.

OBLIGATIONS

None at all. I count on the goodwill of the members of the Mailing List Service to spread the word around concerning its advantages. I do operate a new issue service and also deal in older stamps and all imaginable philatelic sidelines. Such are sent on approval on request only. At no time are there any unsolicited approvals sent out to anyone.

HOW TO REMIT

Send dollar bills preferably. American Express money orders can also be cashed at par in Winnipeg. Anything else requires 18c extra to cover cost of cashing same. However, on all amounts \$5.00 and over I absorb this cashing charge. U. S. Postal notes are not negotiable in Canada.

LASTLY

The Mailing List Service, is, of course, aimed at adult collectors but that does not mean that junior collectors do not enjoy it. Gift subscriptions will make many a youngster happy.

I am forming a specialized collection
"CENSORSHIP ON CANADIAN MAIL".

Therefore, I am looking for any Canadian envelope bearing any sign of a censorship, army, navy or civilian. World War II only. Though I already have a nice collection, there certainly are many more varieties and odd types I don't have. "Passed For Export" markings not wanted. Please send me on approval any unusual item you may have. I will buy everything I do not have, price will be no objection, or will give in exchange anything philatelic.

Deadline for copy 25th of month previous to publication—about 20 days before mailing of issue.

PUBLISHER'S REMARKS

In-so-far as we are aware there is no other publication in Canada, or coming into Canada, that carries the amount of advertising by Canadian stamp dealers that "Popular Stamps" does. We are proud of this fact. The appeal to readers of any popular periodical lies very much in the amount and quality of the advertising that it carries. "Popular Stamps" is fortunate in being able to present a cross section of Canada dealers' offerings from coast to coast that represents the outstanding in the field. Particularly do we note the spread westward. Seventy-five or eighty years ago stamp magazine ads showed the bulk of dealers resident in St. John, Halifax or Montreal and flowing over into Ontario points. This situation maintained until comparatively recent times. These later years show

the westerners a strong competitive influence.

And where there are stamp dealers naturally there are collectors. We have marvelled at the steady and rapid growth in numbers of subscribers to this journal in the west since "Popular Stamps" became widely and favorably known. We salute you—Westerners!

Having drawn attention to our advertisers—let us, in turn, mention our readers. Almost 100 per cent our subscribers are from among that mature senior class representative of various professional walks in life, whose investment in their hobby is bounded more by choice than limitation of means.

ENGLISH SLIP IN GEOGRAPHY

There was a broad smile on the
face of a resident who came into the
office of The Leader yesterday and
announced:—

“My son in England has sent me
word of an English stamp publica-
tion which describes a new \$1 Cana-
dian issue as depicting ‘a ferry which
plies between Vancouver and Prince
Edward Island.’

“My son’s remark on this was: ‘It
must be quite a ship as it would have
a 2,500-mile overland journey.’”—

Ships on Canada Postage Stamps

Any boat lovers among you Canada stamp collectors? We don't just mean you fellows who cavort about Hamilton Bay each summer with your various sailing boats but also you inlanders who thrill to the romance of the sea and the lines of a ship. Well, anyway, here's a list of Canada ship stamps. Get 'em out and we'll talk about them afterwards.

- 1908—5c Quebec Tercentenary
- " —10c " "
- " —15c " "
- " —20c " "
- 1917—3c Confederation
- 1927—2c ditto
- 1929—12c Quebec Bridge
- " —50c Bluenose
- 1930—12c Citadel
- 1932—13c ditto
- 1933—5c Royal William
- 1934—3c Jacques Cartier
- " —2c New Brunswick
- 1935—13c Silver Jubilee
- " —\$1 Champlain Monument
- 1938—13c Halifax Harbour
- " —50c Vancouver Harbour
- 1942—4c Grain Elevators
- " —20c Ship
- " —\$1.00 Corvette
- 1946—\$1.00 Car Ferry
- 1927—20c Surface Special Delivery
- 1938—6c Air Mail
- 1946—17c Special Delivery Airmail

There you are, folks! Twenty-four stamps with a bit of the glamour of the sea about them.

Our 5c Quebec Tercentenary shows us a canoe with occupant beaching on the shore in front of Champlain's home.

The 10c Quebec shows us a number of sailing vessels, here and there on the river.

The 15c ditto shows Champlain preparing to depart for the west. There are two canoes and a number of Indians and white men shown; also a sailing ship in the background. We have often wondered if it was on this trip west that Champlain lost his astrolabe (sort of sextant for navigation) that about 75 or 80 years ago was found on the shore of a small lake less than three miles from the home of "Popular Stamps". Found nearly one hundred years ago by a local farm boy, like the famous British Guiana 1c Magenta, was sold for a song. It is now believed to be the prized possession of a New York resident.

Coming to the 20c Quebec we see three sailing vessels and a number of canoes or ship's boats, apparently carrying landing parties. What a contrast between these vessels and the present gigantic Queen Elizabeth, which, at time of writing, has just completed her first transatlantic passage to New York since the war as a civilian passenger carrier.

In 1917 we have the 3c confederation stamp. Get your glass and look through the right-hand window of the Parliament Building. You'll see a three-masted sailing vessel. Or is it the centre window? You check up for us. The same view is used for the 1927 2c confederation.

The 1929—12c Quebec bridge shows an ocean freighter passing under the bridge.

Then comes the prize item in the same year, the 50c Bluenose, conceded the World's most beautiful stamp of that year. Here we have that famous prize-winning racing schooner purportedly in a race leading her

most consistent rival. Strange to say both ships on the stamp are pictures of the Bluenose.

The 12c Citadel of 1930 and ditto 13c of 1932 show a three-masted vessel and what appears to be a small passenger boat tied to the dock.

In 1933 the 5c Royal William stamp commemorates the 100th anniversary of the crossing of the Atlantic, all the way by steam, which was made by that steamer.

The 1934—3c Jacques Cartier Commemorative. Well, its hardly an all-out ship stamp, but certainly it should be included in this list as we see ship's rigging shown in this view which pictures Cartier looking toward land.

Another 1934—the 2c New Brunswick stamp shows an old-time three-masted sailing vessel. You nautical experts maybe can tell us whether this is a fore and aft rigger, or not.

In 1935, King George V Royal Yacht "Britannia" is shown with sails regally set.

Also in 1935 the \$1.00 Champlain Monument shows a passenger boat tied up to the dock in the stamp.

The Halifax Harbour 13c stamp of 1938 shows two sail boats to the left, a steamer in the background and a small vessell in the lee of the shore in foreground.

Another 1938 item, the 50c Vancouver Harbour shows us a small sail boat in the distance.

The 1912 war set gives us three ship stamps. The 4c Grain Elevators shows a full view of a Great Lakes freighter and the stern of another. In the 20c stamp a boat is shown on the stocks or ways in a shipyard, perhaps being launched or about ready for such. Prize of them all is the \$1.00 corvette stamp, that rough-riding little ship which, with her sisters, contributed magnificently to convoy duty during the war.

In the 1946 set just out we find the \$1.00 Car Ferry stamp. Shown beside her is a small sailing ship. And in the same set but in the 17c Special Airmail Delivery there would seem to be represented four boats tied to the wharf in the river at right foreground.

The 1938—6c airmail shows a steamer of interesting type on the Mackenzie River.

In the Special Deliveries, surface mail, the 1927—20c Sp. Del., (showing five modes of transportation), there is pictured a large passenger liner.

Perhaps that's not all of the ships to be found. There's a lot of water pictured on these and some other Canada stamps. How about going over them yourself and see what you can find—then let us know. See if you can tell us how many canoes, ships, steamers there are. We didn't count them. We had our fun just looking them up.

OTTAWA SOCIETY

The Ottawa Philatelic Society, which meets each Thursday in the Chateau Laurier, Ottawa, held its opening dinner of the season on 3rd October. The newly elected president for 1946-47, W. F. Bowden Martin, was in the chair, moving pictures were shown and the evening concluded with one of the most successful auctions in the history of the Society. One hundred and four lots were offered and spirited bidding was the order of the evening. W. Beddoe was auctioneer.

The O.P.S. will be glad to welcome members of other societies who may happen to be visiting Ottawa. They propose offering prizes to juvenile collectors for the best and most attractive collections, the awards to be made at an exhibition to be held at the end of the winter.

Some of the members are going to visit youth organizations during the winter to give talks on collecting and the best method of collecting and arranging a collection.

Officers for the season are:—President, W. F. Bowden Martin; 1st Vice-Pres., G.G. Macdonald; 2nd Vice-Pres., Kendall McNeil; Hon. Secretary, Colin H. Bayley; Hon. Treasurer, A. H. Ward; Librarian, K. Outstanding Figure of the Nineties

Sixteen years ago this month, November 25th, 1930, Henry Freeman Ketcheson, passed away quietly at his Belleville, Ontario, home while reading in bed where he had been confined for some time following a severe shaking up in an automobile accident earlier in the year. Death was unexpected as he was improving and had planned to be up and around within a short time.

That we should feel called upon to write about Mr. Ketcheson at this late date is from the fact that probably no one held higher the torch of Canadian philately in the late eighties and nineties than did Henry Freeman Ketcheson. For years he published "The Dominion Philatelist," the best such Canadian periodical of his time. Over a spread of years he brought out no less than five of his Ketcheson stamp catalogues. He also dealt largely in stamps.

As a contribution to philately those existing files of "The Dominion Philatelist" which may still be found here and there are a monument to his memory. His catalogues also afford a guide to the trend of stamp collecting of fifty years ago. And still living are collectors who remember pleasant dealings with this old-time dealer.

Curious people that we are, most of us are constrained to know more about those who have been outstanding in any particular line in which we may be interested. It is interesting, therefore, to quote the following from a newspaper clipping in a Belleville newspaper at the time of his death.

Of United Empire Loyalist stock he was a son of William Henry Ketcheson and Matilda Snider and was born on his grandfather's, (Colonel W. G. Ketcheson's) farm, near Walbridge. He was educated at a little country school and in Belle-

H. F. KETCHESON

vile High and Model schools. He taught school for a time and then entered the civil service Post Office division. Prior to 1900 he entered the insurance business in Belleville and was the head of one of the largest insurance businesses in the Belleville district at the time of his death.

In 1883 he married Elizabeth Scantlebury and raised a family of five sons and five daughters. Fraternally the late Mr. Ketcheson stood high in Masonic circles—a member of several lodges and one time D.D.G.M.

He was also a member of the Bay of Quinte Country Club, the Belleville Club, the Orange Order, the Sons of England, the Rotary Club and a Lieutenant in the 49th Hastings Rifles.

In civic affairs he was for many years treasurer of the Children's Aid, a member of the Board of education and in 1916 and 1917 served as one of the most outstanding mayors of the city of Belleville.

Thus are a few incidents in the life of one who was a highlight in Canadian philately of yesteryear.

BY PHIL ATTS.
AUT SCISSORS AUT ANVIL

If you have been watching you will now have seen the respective circulations of some U.S.A. stamp magazines. In case you haven't here are some:—

"Stamps"—29,039

"Western"—18,114

"Gossip"—8067

"Chambers"—7,423

"Stamps" has been doing some face-lifting lately and seems to be realizing that the competition is getting keener with the new "Philately" in the field. The latter is surely presenting an eye-pleasing magazine.

My apologies to Rev. T. A. Moyer for saying in my last column that he writes for "Gossip" when I should have said "B.N.A. Topics". He writes a chatty column for the latter which is the official publication of the "British North America Philatelic Society" of New York.

In Boggs' new book he gives a few lines to the unissued King Edward VIII stamps (the present Duke of Windsor). I have always felt this would make an interesting story. Boggs says the models, dies, and proofs of this projected issue were destroyed Jan. 27, 1929. The year "1929" is obviously an error. As the use of the word "model" is a fairly recent one in stamp nomenclature it should be a matter of interest as to what it actually means. The model for a new stamp is usually made by placing a photograph of the subject on a large cardboard sheet with the frame more or less sketched in and blanks for the figures if the design is to carry more than one value. This lay-out is then photographed and reduced to the size of the stamp and tinted in various color trials. The engraver then works from this stamp size model. The actual engraver's model is a prize piece being even more choice than die proofs as there may be only one in existence. The model does not of course bear the same relation to the die as the die proofs.

A few months back I commented on the possible existence of Vol. 3 No. 6 of "Philatelia" (C. R. Fiset, Montreal, Que. 1935/38). I am satisfied now that this number, the last one of this publication, does exist. The story is that Fiset was taken ill about the time of the issue of Vol. 3 No. 5 and the magazine more or less foundered during said illness. Fiset recovered for a short time and was anxious to carry out his obligations to his advertisers. Consequently he acquired an old hand operated press and brought out No. 6 which is said to be an inferior number with a marked variety in type. Soon after that Fiset died. I have not seen No. 6 but I believe the foregoing to be the explanation of this scarce later number.

By the daily press I see where the New York Times agrees with me in predicting the "Crawford" medal for Winthrop Boggs. My stint was written September 25th and the "Times" item two weeks later altho the latter reached the public first. Just goes to show the advantage the daily press has over a monthly for spot news.

I see where Richard P. Hedley of Buffalo is to write a column on "Canada" for "Philately". That is all to the good with F. Walter Pollock's "Canada Corner" in "Western Stamp Collector" going strong and to possibly become a weekly feature if Walter can manage it.

I was interested to see how Boggs' new book would deal with the so-called New Brunswick commemorative issue of 1934. My opinion is that he just about calls it right. The stamp was actually a companion issue to the Ten Cent "Loyalist" stamp of the same year in that both stemmed from the story of the United Empire Loyalists. and by the way New Brunswick was always a "Province" and therefore the first Province of the Dominion. No, I don't come from N.B.

Record T.H. & B. Party

The Toronto Stamp Collectors' Club were hosts at dinner to the members of the Buffalo Stamp Club, the Hamilton Philatelic Society, their wives and friends on Saturday, October 26th, at the Royal York Hotel, Toronto. This is an annual event and is preceded in the afternoon by a bourse, exhibition and a reception.

The display of stamps was unusually good and consisted of about forty frames. The committee in charge is to be congratulated on the excellent lighting provided for the showing.

The Bourse tables were well manned and a large variety of stamps were displayed. Satisfactory sales were made and many contacts established for future deals.

The reception room under Earl Edwards opened at 5.30 and served as meeting point for all before going into dinner in the Tudor Room. Between 150 and 160 guests sat down, making this dinner the largest in the Club's history.

Seated at the head table was the Club's President, Walter S. Bayley; Clifford M. Gould, President of the Buffalo Stamp Club; William L. Aiken, vice-president of the Hamilton Philatelic Society, who acted for President Harold T. Humby, who could not be present; Donald F. Lybarger, President, American Philatelic Society, and Fred Jarrett, Hon. President of the Canadian Philatelic Society and the guest speaker. Among those present were Jack Levine, Secretary, British North America Philatelic Society; Ed. Richardson, Ithaca, N.Y.; L. D. Shoemaker, Blossom Park, Lakewood, Ohio; Mr. and Mrs. Chas. L. Brisley, Bloomington, Mich.; Cyril Woodhead, President Canadian Philatelic Society; Dr. L. S. Holmes, London, Ont.; Mr. Payne, Jamestown, N.Y., as well as collectors from Brantford, Kitchener, London, Windsor, Niagara Falls, N.Y. and other points.

Introduction of the guest speakers was made by President Bayley, who received from President Gould of the Buffalo Stamp Club the "Friendship

Shield" which had been on loan to his club. This shield has now passed back and forth between the clubs some forty times. President Lybarger made some kind remarks about the Toronto Club which is now their Canadian Chapter No. 1.

Fred Jarrett in his delightful, easy manner gave an interesting talk on "Old Age, Its Cause and Cure", interspersed with humorous stories. This was a real treat. The cure, of course, "Stamp Collecting". At the conclusion of his talk, Walter on behalf of the club's members presented him with a copy of the dinner souvenir, suitably framed and hand-colored by a famous artist. This souvenir showed a picture of Toronto, Canada West, 1860, and Hamilton, Canada West, 1860. Under these two pictures appeared "Buffalo's Playgrounds", Souvenir T.H. & B. Dinner.

The dinner itself was delicious and well served, and entertainment good. All were emphatic that this 1946 dinner was the best ever.

GRAND RIVER GROUP

The Grand River Valley Philatelic Association met on Tuesday, October 15th. President Asher Borth welcomed the large gathering, consisting of members of the Galt, Preston, Paris, Kitchener-Waterloo, Guelph and Brantford Stamp Clubs. There was a large showing of covers from Stampless to present day covers. News items were read by various members. It was decided to hold the next meeting in Guelph in the Y.M.C.A. on November 19th, a silent auction is to be the event of the evening. Door prize was won by A. Fuller. Raffles won by Miss Ableson, Nelson Hofer and W. A. Allendorf.

R. C. Alcock Ltd., 11 Regent St., Cheltenham, England, specialist in British issues, are again publishing the Philatelic Adviser (6d Copy) on a monthly basis. This is an attractive pocket size magazine, full of meat for the collector interested in British issues.

PRESIDENT'S MESSAGE

Change in Annual Fees:—Owing to the cost of operating the Society and future plans in store for the benefit of the membership in general, it has been decided to raise additional revenue from the following sources:—

Affiliated Membership Fees:—Commencing the new year, as of April 1st, 1947, all the affiliated Fees will be raised to \$1.50 or an increase of 25c, which is a very small amount to think about and I'm sure the affiliated members will not hesitate to send in their renewals at the time.

Entrance or Initiation Fee:—Commencing on Jan. 1st 1947, all new applicants, whether affiliated or non-affiliated, will be charged \$1.00 entrance fee in addition to the regular fees payable at the time of application. The monies received from entrance fees will be placed in a special reserve fund.

The above motion was passed at a Directors meeting held on Sept. 21 in Hamilton, Ont. and is now published for the benefit of all concerned.

At a Directors meeting held on Friday, Oct. 18, it was reported that the membership was now standing at 820 with many others coming in. Owing to much sickness in Fred Green's family his resignation as co-ordinator of memberships was accepted with much regret. Mr. Green

did a splendid job on our 1946 Year Book and has received many compliments. The Directors appointed Mr. H. Jarrett in Fred Green's vacancy and the committee will co-operate as much as possible with the new director.

The standing in the President campaign for 1946-47 memberships now reads to Oct. 17 as follows:—H. Buckland 16, C. Woodhead 10, W. C. Gordon 9, P. McCabe 7, F. Green 5, J. F. Babb 5, S. Chamberlain 3, E. D. Taylor 3, W. A. Teare 3, W. Christianson Jr. 3, A. Scadding 2, G. R. Tatchell 2, B. L. Baulch 2, F. R. Hadley 2, L. A. Davenport 2, Stan Hill, 2, H. Nielsen 1, B. C. Warner 1, H. Weiland 1, T. McGeachy 1, R. M. Heenan 1, E. J. Davis 1, A. McGlashan 1, Henry Shaw 1, E. Goodale 1, W. R. Robinson 1, E. A. Sharpe 1, C. Jennings 1, W. J. Cafley 1, F. Shinn 1, W. Allendorf 1, E. H. Voegel 1, A. E. Fuller 1, W. Erblich 1, R. Mantle 1, O. Cohen 1, Dual Proposal E. J. Davis and W. Christianson 4.

Please note that the Toronto Directors are not eligible for the President's prize, so there is ample time to get in on the spoils.

Get in on the Society before the 1st of January otherwise it will cost you that extra dollar.

Community Chest appeals are current in many towns now. So far we have seen "SUPPORT GENEROUSLY YOUR / COMMUNITY CHEST", from Kingston. "GIVE TO THE / COMMUNITY CHEST / Oct. 21st—29th.", Hamilton. "SUPPORT YOUR / COMMUNITY CHEST", Vancouver. "GIVE TO / COMMUNITY CHEST" Victoria. And "EVERYBODY / BENEFITS / EVERYBODY GIVES" from Winnipeg. We would be glad to know of any others not listed.

London has again used "HELP / PREVENT / FIRES" and Montreal comes out with a new one "GARE AU FEU / PREVENT FIRES".

"STAMP OUT SYPHILLIS IN SASKATCHEWAN" has been making the rounds of the same towns where it was used last year.

Toronto has "ROYAL WINTER FAIR / TORONTO / Nov. 13th—20th" again in same style as before the war, and also "SYMPHONY WEEK / in TORONTO / Sept. 30th-Oct. 5th". Vancouver is now using "SHELL OUT / FOR PARALYSIS" to assist the Hallowe'en Drive for that purpose sponsored by the Kinsmen.

Many private firms are using Meter Slogans in connection with these drives also. We have noted several from Montreal, Toronto and Vancouver.

T.S.C.C. AUCTION

Over 150 collectors attended the Annual Fall Catalogue Auction of the Toronto Stamp Collectors' Club held in the Royal York Hotel on Friday evening October 25th, filling the auction room to capacity. 278 lots were on review for one hour previous to the sale. Mail bids were handled by George Wegg of Sissons & Wegg. Auctioneer Walter S. Bayley, assisted by Leslie A. Davenport disposed of all lots. Sales exceeded \$1,500. Mail bidders obtained about 40% of the lots. Prices showed a slight falling off from those obtained at the spring auction, yet it was noted that superb material still brought well over catalogue.

BOGGS CANADA

Endorsing our writer's Review of Boggs' Canada books last issue, they are indeed a mine of information on Canada. The student and specialist will find them indispensable. But, as the title proclaims, they are on "Canada" only, beginning with the original province of Canada. Unlike Jarrett's and Holmes books the original Maritime Colonies and British Columbia are not dealt with which is pointed out by the author. Perhaps he will give us these at a later date, as he has already given us a book on Newfoundland in the B.N.A. line-up. For inclusion of the other original B.N.A. Colonies, Newfoundland, semi-official airmail and Revenues the Jarrett and Holmes books are still good prosoperty for your reference library.

ERROR IN AD

The offer of 15 modern pictorials from France only at 15c in Rogers Stamps Reg'd., P.O. Box 155, Delorimier Sta., Montreal 34, Que., is a typographical error in their ad in last issue of "Popular Stamps". It should have read 15 for 75c. We regret this error and inconvenience caused thereby.

Dress Up Your Collection With CANADIAN TAXPAIDS

Among the most fascinating of all stamps are the taxpays of Canada. These strips, oblongs, diamonds, representing the excise pre-paid on such scandalous commodities as likker, snuff and chawin' terbaccer are both colorful and rare. Practically no one has a truly representative collection, few philatelists own more than a handful, and many have never even seen them!

I have in my possession the residue of the famous Bartlett reference collection, purchased by me that I might study and list for the Canadian Revenue Society the varieties of these fiscals. Having completed my work and distributed the bulk of the collection to earnest specialists, I now wish to dispose of the remainder. In order to do so, and at the same time win new converts to this specialty field, I am offering the lots listed below at ridiculously low figures . . . approximately 1/5 of the current net catalogue values.

200 different	\$50.00
100 different	20.00
50 different	7.50
25 different	3.00
10 different	1.00

Each of these lots is absolutely guaranteed to be worth several times the asking price. If you are not completely satisfied your money will be swiftly and cheerfully refunded.

While preparing the above lots, several "extra-special" items turned up; these are offered at the following bargain prices:

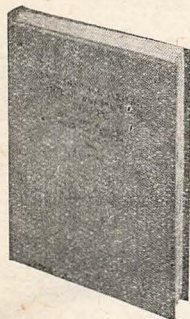

Tobacco Customs strip, 1/5 lb. blue; pair, imperf. betw., unique. Est. cat. val. \$7.50	\$2.50
Leaf Tobacco strip (CRS RS97), 1 lb. orange; comp. sheet of 15 intact; cat. val. \$6.00	\$2.00
Lock Label (Holmes #2430), blue; a comp. bookle pane of 2; cat. val. \$20.00	\$7.50
Petroleum Label (Holmes #2434) blue; cat. val. \$5.00	\$1.50

REVIEW OF SCOTT'S 1947

By Aubrey Kelson

Collectors may welcome some details of price changes in the new Scott's just issued. The entire British Empire section of the catalog excepting the Indian native states and the countries following Federated Malay States in the Straits Settlements has been reviewed and compared with the 1946 edition.

The countries which have advanced more prominently than others are Newfoundland, Canada, Egypt, the B.W.I. section and the 1935 Silver Jubilees. The British Empire gives us 1347 mint price gains and 1451 used. Leaders in the list are:

Newfoundland mint 131 used 115

Canada mint 107 used 86

Gt. Britain mint 51 used 69

Egypt mint 92 used 76

Silver Jubilees mint 102 used 99

In the George 5th issues the higher values in many cases show quite an increase, while the George 6th series remain untouched. Victorian issues show an increase in 414 stamps and in the Edwardian series 312.

The B.W.I. section shows quite an advance with an increase of 287 mint

and 337 used. Adding to these the countries of Falklands, Br. Guiana and Br. Honduras the total increases come to 366 mint and 440 used.

A little extra time was given to review the U.S.A. section and it is noted 175 mint and 114 used items have gained in price. Several noteworthy changes are worth a mention ie; St. Helena #94 raised to \$150, the 1934 centenary set all advanced.

Montserrat 1932 tercentenary all increased but two. The Sudan Gordon set raised to \$28. No doubt many will have noticed the recognition given the Canadian Stamp Dealers Association for assistance with suggestions and information regarding conditions here in the north.

Philatelists will no doubt note with regret the lack of attention given to hundreds of used items in the British Empire section and which are unobtainable today even at full catalog. No doubt the pricing of a work of this kind is a gigantic problem requiring analysis and reports not only from the chief centers but from the entire continent. Let us hope that in a year from now due to the new

ownership of Scott's that some closer attention will be given to this section of the catalog.
